Simplified Issue Term

Safeguarding your family's investment

Your home is the center of your life, the place where you want to start a family, raise your children, or enjoy your retirement years. Unfortunately, the savings and hard work you put into your home can quickly be put at risk upon a death or disability. Without a primary provider, your most important asset could be lost.

The Simplified Issue Term was designed to help protect your family against the loss of your home due to an unforeseen death. Unlike many insurance policies, the Simplified Issue Term was designed to help meet your mortgage needs. With the policy's built-in flexibility, you can design a custom life insurance protection package that fits your family's particular needs.

Mortgage Payoff Protection

In the event of the death of a primary income provider, mortgage payments can easily become an unpayable financial obligation. The Simplified Issue Term helps provide the necessary funds to help pay off the mortgage, giving your loved ones the security of their home at a time when they need it most.

Coverage for Both Mortgage Holders

The Simplified Issue Term allows you to cover both mortgage holders with one simple policy.* This lets you have a complete life insurance protection package for both mortgage holders.

Customized to Help Meet Your Mortgage Protection Needs

The Simplified Issue Term offers you choices of guaranteed level premium periods of 15, 20, 25, & 30 years, allowing a design that can fit your protection needs.

Disability Income

In the event of a disability of the primary insured, the Disability Income Rider can help make your mortgage payments for a period of 2 years. This additional benefit may enhance your peace of mind, knowing that you are helping safeguard against loss of income due to an unexpected disability. This rider may have exclusions and limitations.

*Coverage is provided by purchasing an Additional Insured Rider.

Mortgage Protection Needs Worksheet

Mortgage Payoff Needs

Mortgage Balance \$ _____

Monthly Disability Protection

Monthly Mortgage Payments \$ _____

Spouse's Contribution \$ - _____

Individual Monthly Needs \$ _____

(Monthly payments minus spouse's contribution)
